

Hello Stranger - Breakthrough

tom:
Capotraste na 5ª casa
Intro: **Dm**

Dm
A word unpenned holds me by my angst again
Unbidden and unsent

A
To find my peace of mind a mess

Dm
Her face, displaced
A thought I once chased and placed in sacred verse

A
Now I've raised only for my pride

Dm
And now and then, I try to write it down
But I only seem a stranger

A
Should have put it in a major

Dm
And though

Gm
I feel

Dm **A**
So, so sure

Dm **Bb** **E7** **A**
And though it pays well to feel like hell

Dm **Bb** **E**
The truth's I want you, but can't

A
breakthrough

(**Dm**)

Dm
Relief, I've learned, comes in foolish words and verse
Unloved and unheard by those who will not

A

dance

Dm
I'm not a man, I'm worst at what I am
A sham, dodging your own draft

A
Can I be your girl?
Cuz in this age, called by what it escapes to be
An undying, roaring symphony on your TV

A
screen

Dm
And though

Gm
I feel

Dm **A**
So, so sure

Dm **Bb** **E7** **A**
And though it pays well to feel like hell

Dm **Bb** **E**
The truth's I want you, but can't

A
breakthrough

(**Dm** **Bb** **F** **Dm**)

Bb **F** **Dm**
So far away from your home

Bb **F** **Dm**
So far away from your hole

Bb **F** **Dm**
And still I find that I'm home

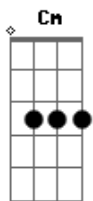

Bb **Am** **Dm**
And still I find that I'm whole

Bb **F**
And still I find

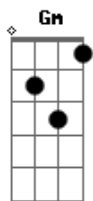

Bb **F**
Still I find

Bb **Am** **Dm**
And still I find that I'm whole
