Don't turn your head

Back to the wall

**C**  
Don't close your eyes

**D** **Em** **Bm**  
And wait for your fall

**Bm**  
If you believe that

You know in this time

You've got anything to win

If you believe that you know

**G**  
Then I say: You'll lose all again

**A**  
In this time there's nothing

**Bm**  
To get for you

**A** **Bm**  
You cannot really do what you want

**Bm**  
You better believe

All you do has a sense

All the troubles you have

Why don't you help yourself

And do the best?

**A**  
Put all the bombs back up

**Bm**  
Their builders' ass

**G**  
Why don't you stand up

**Gb**  
To say who you are?

**G**  
To show the people that

**A** **Gb** **E**  
Paradise is not faaarrrrr

Oh, can't you see we got the right?

We're not the people

We march with the times

Why don't you open your eyes

**A** **Bm**  
To undercover all of these lies?

Go oppose with your fist fight

For your rights
