

Helon Borba - Leva-me

tom:

C

F

Leva-me pra perto, Quero estar contigo Deus

Leva-me pra rocha que é mais alta do que eu

Leva-me pra casa comemorar

Que vens morar comigo, amigo

Vem que tenho pressa pra despejar

O morador antigo, amigo

Senti Teu abraço quando me ajoelhei

O tempo se tornou amigo quando me prostrei

E pedi respostas e me destes a graça

E de graça em graça me guardas em Tuas asas

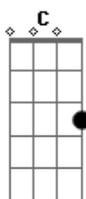

Leva-me pra casa comemorar

Que vens morar comigo, amigo

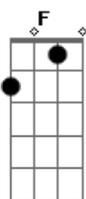

Vem que tenho pressa pra despejar

O morador antigo, amigo
