We came here to the Lord, in this place
Just to worship you

What I want most _and this, oh lord

In your presence, forever by my side

That the my soul _and your desire

Of your heart my lord

Your Holly Spirit, has filled me

With your grace _and peace

Comes Spirit of God

Comes _and fills with your glory

In my heart, and your holy place , oh, oh, oh

Come _and fill with your glory

In my heart, _and your holy place, oh, oh, oh

Of your heart my lord

Your Holly Spirit, has filled me
