

Henrique Ventura - I Don't Need You

tom:

A

[Primeira Parte]

I?m feeling a bit better today
 I almost smiled
 I know that it will be okay
 It?s been a while (that)
 I don?t think of you
 I don?t think of us
 I don?t want you in my life
 I don?t think of you
 I don?t think of us
 Because

[Pré-Refrão]

You said you want me forever
 But you did this to me
 Now I know
 Where to go now

[Refrão]

I?m not going back
 Not going back to you
 I?m not going back
 Not going back to you
 I don?t need you
 (Need you, need you, need you, need you, need you)
 Need you, need you, need you, need you
 Need you, need you, need you, need you, need you)

I don't need you
 I don't need you

I don't need you

[Segunda Parte]

I?m feeling a bit better today
 I almost smiled
 I know that it will be okay
 It?s been a while (that)
 I don?t think of you
 I don?t think of us
 I don?t want you in my life (no more)
 I don?t think of you
 I don?t think of us
 Because

[Pré-Refrão]

You said you want me forever
 But you did this to me
 Now I know
 Where to go now

[Refrão]

I?m not going back
 Not going back to you
 I?m not going back
 Not going back to you
 (I don?t, I don't, I don't need you)
 I?m not going back
 Going back to you, oh
 I?m not going back
 Not going back to you
 I don't need you
 (Need you, need you, need you, need you)
