

H.E.R. - Every Kind Of Way

tom:

Intro: G F G F

[Primeira Parte]

Baby, the sound of you
Better than a harmony
I want you off my mind
And on me
Holding me closer than we've ever been before
This ain't a dream
You're here with me
Boy, it don't get no better than you
For you, I wanna take my time
All night

[Refrão]

I wanna love you in every kind of way
I wanna please you, no matter how long it takes
If the world should end tomorrow and we only have today
I'm gonna love you in every kind of way

[Segunda Parte]

Give you all, give you all of me
When you need it

'Cause I need it
I wanna fall like your favorite season
I'll never get up
Stay here forever, babe
It don't get no better than this
Your kiss

[Refrão Final]

I wanna love you in every kind of way
I wanna please you, no matter how long it takes
If the world should end tomorrow and we only have today
I'm gonna love you in every kind of way
I wanna love you in every kind of way
I wanna please you, no matter how long it takes
If the world should end tomorrow and we only have today
I'm gonna love you in every kind of way
I wanna love you
I gotta love you
I wanna love you
I gotta love you
