[Primeira Parte]

```
Dm7   G7     Dm7                    G7
 I'm lost, is it really even my fault?
        Dm7                         G7      A7
I don't think that it's supposed to be hard, if it's really
meant to be
Dm7                G7
 So give me a sign
Dm7                      G7
 Is he always gonna be mine?
        Dm7                 G7
Have I given it enough of my time?

Dm7            G7
Sweet, sweet fate
    Dm7                G7

       F        A7
Is it yours I wonder
Dm7           G7
Sweet, sweet fate
     Dm7                      G7

Dm7   G7
 Why me?
         Dm7                        G7
If you walked a mile using my feet
          Dm7                   G7
You would go a little easy on me
    Dm7                       G7
You know where I'm coming from, yeah
Dm7   G7          Dm7            G7
 How come, when I'm lookin' at everyone
         Dm7                  G7
They get away with havin' their fun
       A7
I'm payin' these dues when they don't mean nothing
