**Cm**

**Cm7** **F7**  
Wanna try, I wanna thrive

**G7** **G7** **G7**  
Not just survive, no fakin'

**Cm7** **F7**  
And every night when it's?feelin'?right

**G7**  
Feel like you're?livin' lies and now

**G7** **G7**  
I'm breakin'

**Cm7**  
But?I cannot stay

**F7**  
And I'm not okay

**G7**  
All on my own

**G7** **G7**  
You got to be good to me

**Cm7**  
Please give me peace

**F7**  
And make me believe

**G7**  
That I'm not alone

**G7** **G7** **Cm7** **F7** **G7**  
You got to be good to me, me

**G7** **G7**  
You got to be good

**G7** **G7**  
Where were you? I been waitin'

**Cm7** **F7**  
I let it go, but prove me wrong

**G7** **G7** **G7**  
Oh, something's off, am I crazy?

**Cm7**  
But?I cannot stay

**F7**  
And I'm not okay

**G7**  
All on my own

**G7** **G7**  
You got to be good to me

**Cm7**  
Please give me peace

**F7**  
And make me believe

**G7**  
That I'm not alone

**G7** **G7** **Cm7** **F7** **G7**  
You got to be good to me (Be good)

**G7** **G7** **Cm7** **F7** **G7**
