

Heranca.art - True Love (feat. Pr. Carlos Ichter)

tom:

Intro: F G C

[Primeira Parte]

If I had a chance to share
Of a love that's real and true
I'd have to share about the love

Of God

How He gave His only Son
To die for me and you

(F Cadd9 Gm)
(C C7)

[Refrão]

For true love
Is greater than all faith
It's more than all the hope
It is the perfect gift from
God
Without love
What good is left in me
I'd be a noisy cymbal
Never making harmony

[Primeira Parte]

Love is patient
Love is kind
Always hopes and never fails
The gifts of God will someday
Pass way
And when all is said and done
God's love will still prevail

(F C C Gm)

[Refrão Final]

For true love Is greater than
All faith
It's more than all the hope

Without love what good is
Left in me?

Never making harmony
