

Heranca.art - True Love (feat. Pr. Carlos Ichter)

```
[Primeira Parte]
                           tom:
Intro: F G C
                                                            Love is patient
[Primeira Parte]
                                                            Love is kind
                                                            Always hopes and never fails
If I had a chance to share \ 
                                                            The gifts of God will someday
     F
Of a love that?s real and true
    Em
         Ab7
                                                            Pass way
I?d have to share about the love
                                                                                C
                                                            And when all is said and done
  Dm Dm
Of God
                                                            God's love will still prevail
                                                            (FCCGm)
