

Heritage Singers - Can You Reach My Friend

```
As we said goodbye
              tom:
                                                               Bbm
                                                       Lord I've told him that I had found

We laughed about how we have changed
                                                       Can you reach my friend
But I could tell things weren't going
