

Hermes e Renato - Pira Pira Pira

Tom: **G**

Music = Pira Pirá Pirô
Tabbed by = And_squall

This song is fucking hell funny...this is for all the
brazilians that visit the page

"Tava tomando sol...em salvador...chegou um loirao...e me
disse que pirou..."

This is the intro and all the following part is like
this...it's funny to play
There might be a little change where he plays something
else...but it should sound fine..

If you know that part...send me an e-mail
