

Hermes e Renato - Stragni Amore

Tom: C

O mar de ipanema me parece um caldo
 Menestrone que me lembra tu lappio carnutti
 Linguelletto e pepperone di mi namoratti
 Me arrepia o tu peito e bratxo malhati

Muito stragni amoré
 Um homem barbadi
 E um ragazzo
 Depillati

Vamos passear
 Por Ipanema
 De sunga branca
 A se bronzear

Vou passar cremmi

No seu poppozon

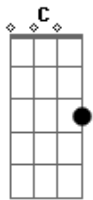

Para proteger
 O botão

Muito stragni amoré
 Esquizitti
 Escittatto
 Exdruxilli

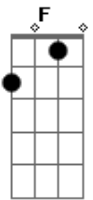

Muito stragni amoré
 Um homem barbadi
 Com um poppotti
 Empinaddi

La La La La La
 La La La La La
 La La La La La
 La La La La La
