

Hey Monday - 6 Months

Intro: Riff 1 Riff2 tom:

You're the direction I follow
To get home
When I feel like I can't go on
You tell me to go
And it's like I can't feel a thing
Without you around
And don't mind me if I get weak in the knees
Cause you have that effect on me
You do
Everything you say
Everytime we kiss I can't think straight
But I'm ok
And I can't think of anybody else
Who I hate to miss as much
As I hate missing you
[Riff 2]
Months are going strong now, and all goodbye
Unconditional, unoriginal
Always by my side

Meant to be together
Meant for no one but each other
You love me, I love you harder, so
Everything you say
Everytime we kiss I can't think straight
But I'm ok
And I can't think of anybody else
Who I hate to miss as much
As I hate missing you
Riff 1
So please, give me your hand
Riff 1
So please, give me your
Lesson on how to steal
Steal a heart, as fast
As you stole mine
As you stole mine
Everything you say
Everytime we kiss I can't think straight
But I'm ok
And I can't think of anybody else
Who I hate to miss as much
As I hate missing you
Riff 1
So please, give me your hand
Riff 2
So please, just take my hand
