Tom: E

Riff 1

E B  
The storm is rushing on me  
Dbm A

Let me out, let me out

Wake up in a wasteland

Where the trees are crashing fast

Make or break

The road explodes  
Dbm A B  
Get out, get out of this town

E B Dbm Abm A  
Live faster, live stronger

Let us speed up  
A B  
Or get blown over  
E B Dbm  
Time's wasting  
Abm A  
How much longer  
E A  
Before I get myself free  
B  
Of these hurricane streets?

Riff 1

E B  
Headed for disaster  
Dbm A  
Way beyond the fear  
E  
In the rearview  
B Dbm  
Watch it all just disappear  
A  
Disappear

E B  
I don't care where I'm headed  
Dbm A  
Anywhere but here  
E  
Won't waste my life

B Dbm  
Can't waste another night  
A B  
In this town, this town

E B Dbm Abm A  
Live faster, live stronger

A B  
Leaves are blowing down the streets  
Dbm  
Wind crawling up our knees  
E  
Somebody get the keys  
A B  
Rain is flowing from the sky  
Dbm  
But no fear in our eyes  
B  
We're ready to fly

Live faster, live stronger  
E  
Let us speed up  
A B  
Or get blown over  
E B Dbm  
Time's wasting  
Abm A  
How much longer  
E A  
Before I get myself free  
B  
Of these hurricane streets?

E B Dbm Abm A  
Live faster, live stronger  
E  
Let us speed up
