Intro: A A7 A A7 A

[Primeira Parte]

On the seventh hour
Of the seventh day
The seventh son was looking
For a seventh stage get away
The word came down from
A blinding light
You got one chance baby
Baby you better do it right
I was driving down on the 101
It was late at night and I was
Thinking 'bout the things I'd done
All of my regrets and
Baby all of my fears
I was slipping the car from
Gear to gear to gear
Hey hey hey

[Segunda Parte]

God bless the child
God bless his soul
God perish the idea that
He'll die before he's old
You gotta be cool
You got to behave
And there'll be time for that
When I'm lying in my grave

[Terceira Parte]

You gotta watch your step
Or you'll lose your way
Take heed of your elders
And do everything they say
Watch out for the man
The man who tolls the bells
But if I fear for the
Devil and I fear for myself
Then I'm gonna have to
Fear for everybody else

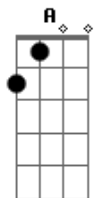

[Refrão]

Oh yeah I'm gonna fly
(sha la la la la mamma yeah)
I'm gonna live until the day I die
Ain't got time to wonder why
I'm gonna live until the day I die

Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
Sha la la la la mama yeah
