

# High School Musical: The Musical: The Series - Granted

tom:

Intro: Am G Dm F

Am  
How can somethin' shake up  
Every dream I hoped for?  
Wakin' up to everything around me  
Turned cold (Mm-hmm-mm)  
Am  
Don't wanna go back  
To second-guessin' my world  
But all I left behind has got me  
Feelin' so torn (Mm-hmm-mm)

Am I takin' it for granted?  
Everything that I've been granted  
I keep lyin' awake with these dreams  
In the dead of the night  
'Cause somethin' don't feel right  
Will I take it all for granted?  
And be leavin' empty-handed?  
Oh, I feel shaken  
Everything's changin' within me

Am G  
It feels so dramatic how erratic I think  
Chasin' everything but leav? the one  
That chased m? (Ah-ah-ah)  
Am  
So much movin' forward  
Just to take a step back  
When all I ever wanted  
I already had (Mm-hmm-mm)

Am I takin' it for granted?  
Everything that I've been granted  
I keep lyin' awake with these dreams  
In the dead of the night  
'Cause somethin' don't feel right  
I won't take it all for granted  
And be leavin' empty-handed  
Oh, I feel shaken  
Everything's changin' within me

Am  
Let my heart lead me home  
'Cause I can't do this anymore  
Tryin' to be somebody else  
If I never left, I'd never know  
Just how far I didn't have to go  
To finally feel like myself

Am I takin' it for granted?  
Everything that I've been granted  
I keep lyin' awake with these dreams  
In the dead of the night  
'Cause somethin' don't feel right  
I won't take it all for granted  
And be leavin' empty-handed  
Oh, I feel shaken  
Everything's changin' within me

Am I takin' it for granted?
