

High School Musical - Can I Have This Dance

Tom: C

Take my ^Chand, take a ^Gbreath
 Pull me close and take one step
 Keep your eyes locked on mine
 And let the music be your guide

Won't you promise me
 To keep dancing wherever we go next

(refrão)

It's like catching lightning the chances of finding
 Someone like you
 It's one in a million the chances of feeling
 The way we do
 And with every step together
 We just keep on getting better
 So can I have this dance?
 Can I have this dance?

Take my hand I'll take the lead
 In every turn you'll be safe with me
 Don't be afraid, afraid to fall
 You know I'll catch you, through it all

And you can't keep us apart
 Cause my heart is wherever you are

(refrão)

It's like catching lightning the chances of finding
 Someone like you

Someone like you

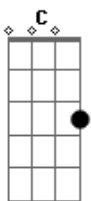

It's one in a million the chances of feeling
 The way we do
 And with every step together
 We just keep on getting better
 So can I have this dance?
 Can I have this dance?

Oh, no mountains too high
 And no oceans too wide
 Cause together all night
 Our dance won't stop
 Let it rain, let it pour
 What we have is worth fighting for
 You know I believe
 That we were meant to be, oh

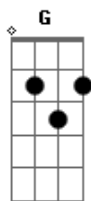

(refrão)

It's like catching lightning the chances of finding
 Someone like you
 It's one in a million the chances of feeling
 The way we do
 And with every step together
 We just keep on getting better
 So can I have this dance?
 Can I have this dance?
 Can I have this dance?
 Can I have this dance?
