

# High School Musical - Scream

Tom: G

Em C

The day the door is closed The echoes fill your soul They won't say which way to go

Am D

Just trust your heart | To find why you're here for Open another door

Em C

But I'm not sure anymore It's just so hard

( Em C Am Am D )

Em C

Voices in my head Tell me they know best Got me on the edge They're pushin', pushin' They're pushin'

Em C

Am D

I know they've got a plan But the ball's in my hands This time is man-to-man I'm drivin, fightin, inside of

C D

a world that's upside down It's spinning faster What do I do now Without you

Em C

Am D

I don't now where to go What's the right team I want my own thing So bad i'm going scream

Em C

Am D

I can't choose, so confused What's it all means I want my own dream So bad i'm going scream

Em C

Am D

I'm kicking down the walls I gotta make 'em fall Just break through 'em all I'm punchin', crashing, I'm gonna

Em C

Am D

Fight to find myself Me and no one else Which way, I can't tell I'm searchin', searchin', can't find the

C Am

D

(Way that I should turn) I should, to right or left, it's... It's like nothing works REFRAO

Em C

Am D

I don't know where to go What's the right team I want my own thing I want my own thing

Em C

I can't chose, so confused What's it all mean

Am D

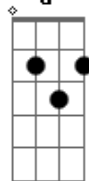

I want my own dream So bad I'm gonna scream
