

# Hildir Svensson - Innocence

tom:  
 You're broke as a joke  
 Plus your credit's low, you couldn't pay your telephone  
 You're drunk as a skunk  
 Foolish at the party, then you threw up all your lunch  
 Remember back in '95, when they were happy you're alive  
 Now you gotta make sure their expenses are all paid on time  
 Shift my paradigm  
 Ooh  
 I'm drifting from my innocence  
 I wanna be a kid again  
 Ooh  
 I wonder about it sometimes  
 Leave the bullshit all behind  
 Ooh  
 High all the time  
 Doin' lines in the bathroom, this place is a vacuum  
 I can't breathe

If I could rewind, I'd live in isolation  
 Then a late beach vacation  
 But that's just me  
 Remember back in '95, when they were happy you're alive  
 Now you gotta make sure their expenses are all paid on time  
 Shift my paradigm  
 Ooh  
 I'm drifting from my innocence  
 I wanna be a kid again  
 Ooh  
 I cry about it all the time  
 It took away my paradigm  
 Ooh  
 I'm drifting from my innocence  
 I wanna be a kid again  
 Ooh  
 I cry about it all the time  
 It took away my paradigm
