

Hillsong Live - Always Will

Tom: D
Intro: Bm G D Em (2x)

Verse 1:
Where I go You will go
You never leave me
When I'm lost, there's always hope
In every high, in every low
You're standing next to me
In the fire, there's always hope

Pre-chorus:
I will lift my eyes
Let my heart cry out
You're alive, Alive
With an anthem we raise
Up our voice proclaim
You're alive, Alive

Chorus:
Your love keeps chasing me
And it always will
It always will
Your grace keeps changing me
And it always will
It always will

Verse 2:
In my joy, In my pain
You're right beside me
In your arms, there's always hope
When I fall You are there
Your mercy will catch me
All my hope, In christ alone

Chorus:
Your love keeps chasing me
And it always will
It always will
Your grace keeps changing me
And it always will
It always will
You gave your life away
Once and for all
Once and for all
Forever You will reign
And You always will
You always will
