

Hillsong Live - Unending Love

Tom: **D**
Intro: **Bm G D**

Verso 1:

There's no silver or gold
And no treasure or toll
That can draw me away from Your arms
Neither ever myself
More than any one else will do

Pré-Refrão:

Jesus nothing compares
To this grace that rescues me
Saviour now and forever
Your face is all I seek

Refrão:

Now all I am, I lay at Your feet
I'm humbled by the wonder of Your majesty
One thing I know, I find what I need

In your unending love
In your unending love

Verso 2:

Letting go all my pride
I lay down my desires
Just to worship
In spirit and in truth
More than all of my dreams
More than fame that I'll seek, You are

Pré-Refrão:

Jesus nothing compares
To this grace that rescues me
Saviour now and forever
Your face is all I seek

Instrumental: **D G Bm G**
