Bridge:
Lord I hear You, I know You're there
 Closer now than my skin and bones could dare
Breathing deep within me, You are always with me
 I can see You where eyes can't stare
Brighter now than the sun could ever dare
Breathing all around me, God I know You're with me here
Lord I hear You, I know You're there
 Closer now than my skin and bones could dare
Breathing deep within me, You are always with me
I can see You where eyes can't stare
Brighter now than the sun could ever dare
                                      Dm
Breathing all around me, God I know that You are here
For I'm yours and You are mine
 And my soul knows well
You are here, You are here
And my soul will praise You
