

Hillsong United - Fall

Tom: G

I love to worship You my God
 I love to worship You my Lord
 And see Your spirit fall in power
 Your love unfolding gifts from Heaven
 I love to worship You my God
 I love to worship You my Lord
 And feel Your precious breath of Heaven
 Your all consuming love
 Holy Spirit come in power

Change my heart
 I want to live for You my God
 Let Your Spirit come in power
 Change my life
 That I may live for You my Lord
 Fall on us Lord, Fall on us Lord
 So I yearn for You
 Long to see You move
 O, I lift my hands before my King and pray
