

# Hillsong United - Fall

Tom: G

I love to worship You my God  
 I love to worship You my Lord  
 And see Your spirit fall in power  
 Your love unfolding gifts from Heaven  
 I love to worship You my God  
 I love to worship You my Lord  
 And feel Your precious breath of Heaven  
 Your all consuming love  
 Holy Spirit come in power

Change my heart  
 I want to live for You my God  
 Let Your Spirit come in power  
 Change my life  
 That I may live for You my Lord  
 Fall on us Lord, Fall on us Lord  
 So I yearn for You  
 Long to see You move  
 O, I lift my hands before my King and pray
