

# Hillsong United - Heaven Knows

Tom: C

Hold my heart, don't let it bleed no more  
 Sometimes forgiveness is like a man at war  
 God only knows why love is worth the fall  
 Maybe that's what makes it love  
 Maybe that's what makes it love  
 I can hear it now  
 The everlasting sound  
 Roaring like a lion deep within me  
 I won't hold it long  
 I wasn't made that strong  
 Sweet Surrender, hold my heart and not let go  
 I'm letting go  
 And Heaven knows  
 I love you so

( Am7 F C )

Hold my heart, don't let it break like fear  
 Sometimes a moment feels like a thousand years  
 God only knows why is love is drenched in tears  
 Maybe that's what makes it love  
 Maybe that's what makes it love  
 ( C Am7 G F )

Then sings my soul  
 Then sings my soul  
 How great your love is  
 How great your love is
