

Hillsong United - Heaven Knows

```
Tom: C
Hold my heart, don't let it bleed no more
Am F
Sometimes forgiveness is like a man at war
God only knows why love is worth the fall
Am F (Maybe that's what makes it love
Maybe that's what makes it love
I can hear it now
The everlasting sound
Roaring like a lion deep within me
I won't hold it long
I wasn't made that strong
Sweet Surrender, hold my heart and not let go
I'm letting go
      Αm
And Heaven knows
I love you so
