

# Hillsong United - Highlands (Song Of Ascent)

Tom: G  
Intro: Em7 D C G

Oh how high would I climb mountains  
If the mountains were where You hide  
Oh how far I'd scale the valleys  
If You graced the other side

Oh how long have I chased rivers  
From lowly seas to where they rise  
Against the rush of grace descending  
From the source of its supply

[Pré-Refrão]

Cause in the highlands and the heartache  
You're neither more or less inclined  
I would search and stop at nothing  
You're just not that hard to find

[Refrão]

I will praise You on the mountain  
And I will praise You when the mountain's in my way  
You're the summit where my feet are  
So I will praise You in the valleys all the same  
No less God within the shadows  
No less faithful when the night leads me astray  
You're the heaven where my heart is  
In the highlands and the heartache all the same

[Segunda Parte]

Oh how far beneath Your glory  
Does Your kindness extend the path  
From where Your feet rest on the sunrise  
To where You sweep the sinner's past

Oh how fast would You come running  
If just to shadow me through the night  
Trace my steps through all my failure  
And walk me out the other side

[Pré-Refrão]

For who could dare ascend that mountain

That valleyed hill called Calvary  
But for the One I call Good Shepherd  
Who like a lamb was slain for me

[Refrão]

I will praise You on the mountain  
And I will praise You when the mountain's in my way  
You're the summit where my feet are  
So I will praise You in the valleys all the same  
No less God within the shadows  
No less faithful when the night leads me astray  
You're the heaven where my heart is  
In the highlands and the heartache all the same

[Ponte]

Whatever I walk through  
Wherever I am  
Your Name can move mountains  
Wherever I stand  
And if ever I walk through  
The valley of death  
I'll sing through the shadows  
My song of ascent

My song of ascent, ooh, ooh  
My song of ascent, ooh, ooh

From the gravest of all valleys  
Come the pastures we call grace  
A mighty river flowing upwards  
From a deep but empty grave

So I will praise You on the mountain  
And I will praise You when the mountain's in my way  
You're the summit where my feet are  
So I will praise You in the valleys all the same  
No less God within the shadows  
No less faithful when the night leads me astray  
You're the heaven where my heart is  
In the highlands and the heartache all the same
