

Hillsong United - Highlands (Song Of Ascent)

Tom: G

Intro: Em7 D C G

Oh how high would I climb mountains
 Em7 D C G

If the mountains were where You hide

Oh how far I'd scale the valleys
 Em7 D C G

If You graced the other side

Oh how long have I chased rivers
 Em7 D C G

From lowly seas to where they rise

Against the rush of grace descending
 Em7 D C G

From the source of its supply

[Pré-Refrão]

Cause in the highlands and the heartache
 C D Em7 G D

You're neither more or less inclined

I would search and stop at nothing
 C D Em7 C

You're just not that hard to find

[Refrão]

G I will praise You on the mountain D

And I will praise You when the mountain's in my way
 D C Em7

You're the summit where my feet are

So I will praise You in the valleys all the same
 G D

No less God within the shadows

No less faithful when the night leads me astray
 Em7 C

You're the heaven where my heart is

In the highlands and the heartache all the same
 Em7 D C G

[Segunda Parte]

Em7 Oh how far beneath Your glory D

Does Your kindness extend the path
 C G

From where Your feet rest on the sunrise
 Em7 D C G

To where You sweep the sinner's past

Em7 Oh how fast would You come running D

If just to shadow me through the night
 C G

Trace my steps through all my failure
 Em7 D C G

And walk me out the other side

[Pré-Refrão]

C D Em7 For who could dare ascend that mountain

G D That valleyed hill called Calvary

But for the One I call Good Shepherd
 C D Em7

Who like a lamb was slain for me

[Refrão]

G D I will praise You on the mountain

And I will praise You when the mountain's in my way
 D C Em7

You're the summit where my feet are

So I will praise You in the valleys all the same
 G D

No less God within the shadows

No less faithful when the night leads me astray
 D C Em7

You're the heaven where my heart is

In the highlands and the heartache all the same
 D C G

[Ponte]

Em7 Whatever I walk through

Wherever I am
 D

Your Name can move mountains
 C G

Wherever I stand

And if ever I walk through
 Em7 D

The valley of death

I'll sing through the shadows
 C G

My song of ascent

Em7 D C G My song of ascent, ooh, ooh

Em7 D C G My song of ascent, ooh, ooh

C D Em From the gravest of all valleys

C D Em Come the pastures we call grace

C D Em A mighty river flowing upwards

C From a deep but empty grave

G D So I will praise You on the mountain

And I will praise You when the mountain's in my way
 D C Em7

You're the summit where my feet are

So I will praise You in the valleys all the same
 G D

No less God within the shadows

No less faithful when the night leads me astray
 D C Em7

You're the heaven where my heart is

In the highlands and the heartache all the same
 Em7 G
