Intro: B|---0-5-|  
G|-5-4-4-| 2vezes

Variação:

Parte 1:

Your love's enough to see

The broken hearts gain a

Brand new start with a

Brand new heart

(repete)

As the faithful hope in

Things unseen You're

Enough to see all the

Things they dream Come to life

Preparação:

We're living in the Saviour today

And this day is what we have now

In this moment we have chosen to praise

And it's changing how we live now

Refrão:

Your love it broke my fall

It's more than enough and I need it

'Cause I've never known better

And I'll never know better

Variação uma vez

Parte 2:

Your love's enough to see the

Humbled man find the

Cause of Christ With his

Outstretched hands

(repete)

As the cripple grabs his

Mat to walk you're

Enough to save him

From the pain he bore

Preparação:

We're living in the Saviour today

And this day is what we have now

In this moment we have chosen to praise

And it's changing how we live now

Refrão duas vezes

Climax:

My Saviour

You'll never let me go

My life is now secure

My Saviour

You'll never let me go

And in Your hands my future's brighter

Your love it broke my fall It's more than enough and I need it

'Cause I've never know better
