Tom: C

Intro: 2x: Am F C G

I wanna see the broken heart  
C finding hope in God above  
I wanna know I'm doing all I can

So with this life, with all I am  
C No matter what their cost may be  
I pray to see your love become our cause

I won't stop believing  
C You alone are, You alone are God  
In You there's freedom

Your love brings me to my knees again  
C We're gonna bring an anthem of love  
We're gonna live for you now

This perfect love, I can't explain  
C This way of life that has no end  
Your mercy satisfies, it's all I need

My purpose found in You alone  
C to love the lost and bring them home  
We were made to glorify our king

I won't stop believing  
C You alone are, You alone are God  
In You there's freedom

Your love brings me to my knees again  
C We're gonna bring an anthem of love  
We're gonna live for you now

May your love become my every thought  
C I wanna know the center of your heart  
I wanna live for you now
