C
Come now
Dm                C               F
As you are or as you want to be
```

Are you ready?

Are you ready?

```
C
Come now
Dm                C               F
Tired, broken, scared or just in need
```

Ready or not

It's alright take your time if nothing else

```
    C       Dm    Am G F
Just come
```

Are you ready?

Are you ready?

```
C
Come now
Dm                        C                     F
Bring your hopes, your dreams, your doubts, your scars
```

Are you ready?

Are you ready?

```
C
Come now
Dm                      Am          C           F
Bring your hurts, your fears, your faith, your heart
```

Are you ready?

Are you ready or not?

```
Am                       G
  There's no place like His presence
C                        G
 There's no time like the now
F               G
 Everyone, two or three of us
F                 G
 Coming in here and now
Am                       G
  And He welcomes the broken
C                     G
 He's alright with your past
F                    G
 He's not mad at anyone of us
F                      G
 But He waits with open arms
         C       Dm    Am G F
He says come
```

Are you ready?

Are you ready?

```
C
Come now
Dm              C             F
Leave your inhibitions at the door
```

Are you ready?

Are you ready?

```
C
Come now
Dm                    Am          C        F
Lay your burdens down, He's got them all
```

Are you ready?

Are you ready or not?

```
Am                           G
  He's still faithful to deliver
C                     G
 Mighty as Heaven to save
F                           G
 He's still good on His promises
F                           G
 And His love still never fails
Am                       G
  He's not moved by perfection
C                           G
 Or how well we look the part
F                           G
 But He's wild about the hidden stuff
F                           G
 Like He's wild about the heart
```

```
                     C
So come now
         Dm              Am          G          F
For all we've seen we ain't seen nothing yet
                              G F
Are you ready?
                     G
Are you ready?
```

```
C
Come now
Dm                    Am      G          F
Bring Him praise for what He might do next
```

Are you ready?

Are you ready or not?

```
C                             Dm
 He's already bought our freedom
F                         G
 He's already paid our debt
Am                         G
  He's already done the miracle
F                             G
 He's already conquered death
C                         Dm
 He's our light and salvation
F                         G
 He's our rock-solid hope
Am                         G
  He's already done enough for us
F                         G
 He's already doing more
C                         Dm
 He's already seen the ending
F                         G
 He's already seen us through
Am                             G
  He's already breaking out of us
F                         G
 He's already on the move
C                         Dm
 He's already won our battles
F                             G
 He's already paved the way
Am                             G
  He's already gone ahead of us
F                         G
 And He is ready when we are
```
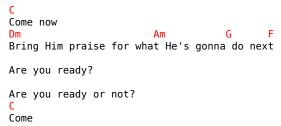

```
C
```

```
Come now
      Dm
For all we've seen
        Am    G          F
We ain't seen nothing yet

Are you ready?

Are you ready?
```

```
C
Come now
Dm                            Am         G      F
Bring Him praise for what He's gonna do next

Are you ready?

Are you ready or not?
C
Come
