

Hillsong United - Reason I live

Tom: G

When I think of things You've done for me
 I know You are the reason I live
 And I, I want to know You more each day
 God please open my eyes
 And show me Your way

You are the reason I live in this world
 You are the One that I want to be like
 You are the reason I live in this world
 Show me the way to live
 I want to be like You
 Jesus You are the reason I live (Woah)

Jesus You are the reason I live (Yeah)

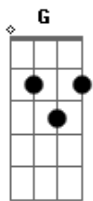

VERSE:

When I think of things You've done for me
 Jesus You are the reason I live
 And I, I want to know You more each day
 God please open my eyes
 And show me Your way

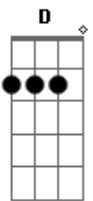

Jesus You are the reason I live (Woah)
 Jesus You are the reason I live (Yeah)

I'll always go Your way
 And that will never change
 You will be the One for all my days
 I'll always go Your way
 And that will never change
 You will be the One for all of my days
