

## **Hillsong United - Revolution**

```
Intro: Ebm Db F#sus4 Gb Db
                                                              That holds us back from You
                                                              Bridge:
Verse 1:
One generation living salvation
                                                              This is the generation
         Gb
                                                              We live devoted to Your Name
Here we go
      Ebm
Seeing revival we will defy all
                                                              This is the revolution
That holds us back from You
                                                              We will not leave this world the same
                                                              ?cause we want the world to know
PreChorus:
                Abm
                                                              We want the world to know
So we will rise together
                                                              We live our lives for You
And with one voice to say
                                                              In all we say and do
Jesus is our Saviour
                                                              Abm
                                                              We want the world to know
Abm
          Ebm
There will be no other
           В
                                                              We want the world to know
We will shout it out
Abm
We want the world to know
                                                              Coda:
Other:
