

Hillsong United - Shape Of Your Heart

Tom: G

[Verse 1]

There's a light hanging over me
 There's a beam running way down
 Turning sorrow to ecstasy
 As the dust comes to life

[Pre-Chorus]

See the shape of Your heart
 Where the margins collide
 There's a life hanging over me, over me
 Where Your love crossed the lines

[Chorus]

You run deep like the wildest heavens
 You run deep like the wild in me

[Verse 2]

There's a love hanging over me
 There's a beam running way out
 In the shadow of mystery
 Where my soul comes alive

[Pre-Chorus]

See the shape of Your heart
 Where the margins collide
 There's a life hanging over me, over me
 Where Your love crossed the lines

[Chorus 2]

You run deep like the wildest heavens
 You run deep like the wild in me

You run wide like the four horizons
 You run wide enough to cover me

[Interlude]

How I love You, Je - sus
 I will worship You; I will worship You, Jesus
 Higher than anything I see, more than the air I breathe
 I need You
 See the shape of Your heart

[Pre-Chorus]

See the shape of Your heart
 Where the margins collide
 There's a life hanging over me, over me
 Where Your love crossed the lines

[Chorus 2]

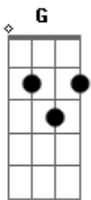

You run deep like the wildest heavens
 You run deep like the wild in me
 You run wide like the four horizons
 You run wide enough to cover me

You run deep like the wildest heavens
 You run deep like the wild in me
 You run wide like the four horizons
 You run wide enough to cover me

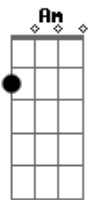

[Verse 3]

There's a cross hanging over me
 There's a fire burning inside out
 As the Word comes to life in me
 In the shape of Your heart
