[Primeira Parte]

F
God of creation
Am
There at the start
G F Am G
Before the beginning of time
F
With no point of reference
Am
You spoke to the dark
G F Am G
And fleshed out the wonder of light
C
And as You speak
Am G
A hundred billion galaxies are born
F
In the vapour of Your breath, the planets form
Am F C
If the stars were made to worship, so will I
Am G
I can see Your heart in everything You've made
Am F
Every burning star, a signal fire of grace
Am F C
If creation sings Your praises, so will I

F
God of Your promise
Am
You don't speak in vain
G F Am G
No syllable empty or void
F
For once You have spoken
Am
All nature and science
G F Am G
Follow the sound of Your voice

C
And as You speak
Am G
A hundred billion creatures catch Your breath
Am F
Evolving in pursuit of what You said
Am F C
If it all reveals Your nature, so will I
Am G
I can see Your heart in everything You say
Am F
Every painted sky, a canvas of Your grace
Am F C
If creation still obeys You, so will I
Am G Am F Am G

So will I so will I

F Am G
If the stars were made to worship, so will I
F Am G
If the mountains bow in reverence, so will I
F Am G
If the oceans roar Your greatness, so will I
F Am G
For if everything exists to lift You high, so will I
F Am G
If the wind goes where You send it, so will I
F Am G
If the rocks cry out in silence, so will I
F Am G
If the sum of all our praises still falls shy
F Am G
Then we'll sing again a hundred billion times

(F Am G)
(F Am G)

F
God of salvation
Am
You chased down my heart
G F Am G
Through all of my failure and pride
F
On a hill You created
Am
The light of the world
G F Am G
Abandoned in darkness to die

C
And as You speak
Am G
A hundred billion failures disappear
Am F
Where You lost Your life so I could find it here
Am F C
If You left the grave behind You, so will I
Am G
I can see Your heart in everything You've done
Am F
Every part designed in a work of art called love
Am F C
If You gladly chose surrender, so will I

I can see Your heart
Am G
Eight billion different ways
Am F
Every precious one, a child You died to save
Am F C
If You gave Your life to love them, so will I
Am G
Like You would again a hundred billion times
Am F
But what measure could amount to Your desire?
Am F C
You're the One who never leaves the one behind
