

# Hillsong United - So Will I (100 Billion X)

Tom: G

[Verse 1]

**C**  
God of creation  
**Em** **D** **C** **Em** **D**  
There at the start, before the beginning of time  
**C**  
With no point of reference  
**Em** **D** **C** **G** **D**  
You spoke to the dark and fleshed out the wonder of light

[Chorus]

**G**  
And as You speak  
**Em** **D**  
A hundred billion galaxies are born  
**G** **C**  
In the vapour of Your breath the planets form  
**Em** **C** **G**  
If the stars were made to worship, so will I  
**Em** **D**  
I can see Your heart in everything You've made  
**G** **C**  
Every burning star, a signal fire of grace  
**Em** **C** **G** **Em** **D** **G**  
If creation sings Your praises, so will I

[Verse 2]

**C**  
God of Your promise  
**Em** **D** **C** **Em** **D**  
You don't speak in vain, no syllable empty or void  
**C**  
For once You have spoken  
**Em** **D** **C** **G** **D**  
All nature and science, follow the sound of Your voice

[Chorus 2]

**G**  
And as You speak  
**Em** **D**  
A hundred billion creatures catch Your breath  
**G** **C**  
Evolving in pursuit of what You said  
**Em** **C** **G**  
If it all reveals Your nature, so will I  
**Em** **D**  
I can see Your heart in everything You say  
**G** **C**  
Every painted sky, a canvas of Your grace  
**Em** **C** **G** **Em**  
If creation still obeys You, so will I  
**D** **G** **C** **Em** **D** **C** **Em** **D**  
So will I, so will I

[Bridge]

**C** **Em** **D**

If the stars were made to worship, so will I  
**C** **Em** **D**  
If the mountains bow in reverence, so will I  
**C** **Em** **D**  
If the oceans roar Your greatness, so will I  
**C** **Em** **D**  
For if everything exists to lift You high, so will I  
**C** **Em** **D**  
And if the wind goes where You send it, so will I  
**C** **Em** **D**  
If the rocks cry out in silence, so will I  
**C** **Em** **D**  
If the sum of all our praises still falls shy  
**C** **Em** **D** **C** **Em** **D**  
Then we'll sing again a hundred billion times  
**C** **Em** **D**  
Whoa

[Verse 3]

**C**  
God of salvation  
**Em** **D** **C** **Em**  
You chased down my heart through all of my failure and pride  
**C**  
On a hill You created  
**Em** **D** **C** **G** **D**  
The light of the world abandoned in darkness to die

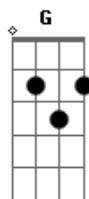

[Chorus 3]

**G**  
And as You speak  
**Em** **D**  
A hundred billion failures disappear  
**G** **C**  
Where You lost Your life so I could find it here  
**Em** **C** **G**  
If You left the grave behind You, so will I  
**Em** **D**  
I can see Your heart in everything You've done  
**G** **C**  
Every part designed in a work of art called love  
**Em** **C** **G**  
If You gladly chose surrender, so will I  
**Em** **D**  
I can see in Your heart, eight billion different ways  
**G** **C**  
Every precious one, a child You died to save  
**Em** **C** **G**  
If You gave Your life to love them, so will I

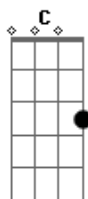

[Outro]

**Em** **D**  
Like You would again a hundred billion times  
**G** **C**  
But what measure could amount to Your de - sire  
**Em** **C** **G**  
You're the One who never leaves the one behind
