

Hillsong United - So Will I (100 Billion X)

Tom: G

[Verse 1]

C
God of creation
Em D C Em D
There at the start, before the beginning of time
C
With no point of reference
Em D C G D
You spoke to the dark and fleshed out the wonder of light

[Chorus]

G
And as You speak
Em D
A hundred billion galaxies are born
G C
In the vapour of Your breath the planets form
Em C G
If the stars were made to worship, so will I
Em D
I can see Your heart in everything You've made
G C
Every burning star, a signal fire of grace
Em C G Em D G
If creation sings Your praises, so will I

[Verse 2]

C
God of Your promise
Em D C Em D
You don't speak in vain, no syllable empty or void
C
For once You have spoken
Em D C G D
All nature and science, follow the sound of Your voice

[Chorus 2]

G
And as You speak
Em D
A hundred billion creatures catch Your breath
G C
Evolving in pursuit of what You said
Em C G
If it all reveals Your nature, so will I
Em D
I can see Your heart in everything You say
G C
Every painted sky, a canvas of Your grace
Em C G Em
If creation still obeys You, so will I
D G C Em D C Em D
So will I, so will I

[Bridge]

C Em D

If the stars were made to worship, so will I
C Em D
If the mountains bow in reverence, so will I
C Em D
If the oceans roar Your greatness, so will I
C Em D
For if everything exists to lift You high, so will I
C Em D
And if the wind goes where You send it, so will I
C Em D
If the rocks cry out in silence, so will I
C Em D
If the sum of all our praises still falls shy
C Em D C Em D
Then we'll sing again a hundred billion times
C Em D
Whoa

[Verse 3]

C
God of salvation
Em D C Em
You chased down my heart through all of my failure and pride
C
On a hill You created
Em D C G D
The light of the world abandoned in darkness to die

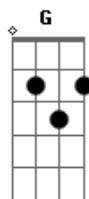

[Chorus 3]

G
And as You speak
Em D
A hundred billion failures disappear
G C
Where You lost Your life so I could find it here
Em C G
If You left the grave behind You, so will I
Em D
I can see Your heart in everything You've done
G C
Every part designed in a work of art called love
Em C G
If You gladly chose surrender, so will I
Em D
I can see in Your heart, eight billion different ways
G C
Every precious one, a child You died to save
Em C G
If You gave Your life to love them, so will I

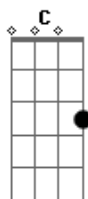

[Outro]

Em D
Like You would again a hundred billion times
G C
But what measure could amount to Your de - sire
Em C G
You're the One who never leaves the one behind
