Tom: G
 C
 God of creation
 Em D C Em D
 There at the start, before the beginning of time
 C
 With no point of reference
 Em D C G D
 You spoke to the dark and fleshed out the wonder of light

G
 And as You speak
 Em D
 A hundred billion galaxies are born
 G C
 In the vapour of Your breath the planets form
 Em C G
 If the stars were made to worship, so will I
 Em D
 I can see Your heart in everything You've made
 G C
 Every burning star, a signal fire of grace
 Em C G Em D G
 If creation sings Your praises, so will I

C
 God of Your promise
 Em D C Em D
 You don't speak in vain, no syllable empty or void
 C
 For once You have spoken
 Em D C G D
 All nature and science, follow the sound of Your voice

G
 And as You speak
 Em D
 A hundred billion creatures catch Your breath
 G C
 Evolving in pursuit of what You said
 Em C G
 If it all reveals Your nature, so will I
 Em D
 I can see Your heart in everything You say
 G C
 Every painted sky, a canvas of Your grace
 Em C G Em
 If creation still obeys You, so will I
 D G C Em D C Em D
 So will I, so will I
 C Em D

If the stars were made to worship, so will I
 C Em D
 If the mountains bow in reverence, so will I
 C Em D
 If the oceans roar Your greatness, so will I
 C Em D
 For if everything exists to lift You high, so will I
 C Em D
 And if the wind goes where You send it, so will I
 C Em D
 If the rocks cry out in silence, so will I
 C Em D
 If the sum of all our praises still falls shy
 C Em D C Em D
 Then we'll sing again a hundred billion times
 C Em D
 Whoa

C
 God of salvation
 Em D C Em
 D
 You chased down my heart through all of my failure and pride
 C
 On a hill You created
 Em D C G D
 The light of the world abandoned in darkness to die
 G
 And as You speak
 Em D
 A hundred billion failures disappear
 G C
 Where You lost Your life so I could find it here
 Em C G
 If You left the grave behind You, so will I
 Em D
 I can see Your heart in everything You've done
 G C
 Every part designed in a work of art called love
 Em C G
 If You gladly chose surrender, so will I
 Em D
 I can see in Your heart, eight billion different ways
 G C
 Every precious one, a child You died to save
 Em C G
 If You gave Your life to love them, so will I
 Em D
 Like You would again a hundred billion times
 G C
 But what measure could amount to Your de - sire
 Em C G
 You're the One who never leaves the one behind
