

Hillsong United - Starts And Ends

tom:

Intro: Bm D G

My soul thirsts for things I can't explain
In my bones a beckoning to pray
If my heart is a battleground
My defenses run both ways
The flesh is a beggar and thief
But there is a Spirit-man awakening me
When real life and peace won't make amends
When all these starts
Start feeling like these ends
Like the world is unraveling
D. G
And I'm bound to come undone
