

## **Hillsong United - The Answer**

```
Tom: Ab
                                                             Your will for all our days
                   Fm Db Fm Ab Db
                                           Bbm
                                                             Never to fade
  (intro) Ab
               Ab
                                                             Dh
(verso 1)
                                                             Your love will light the way
One hope for all our lives
                                                             Our hearts are for Your cause
                                                             Fb
Your truth remains through time
                                                             We live beyond ourselves
                                                                        Fm
                                                                               Db
Love is the way
                                                             And let Your love be known
     Ab
                               Eb
Db
You gave Your life away
                                                              (ponte)
                                                                          Ab
                                                             Bbm
We now receive new life
                                                             We live to see You
                                                                           Eb
Our eyes are opened wide
                                                             We long to know Your love
                                                              Bbm
                                                                      Ab
       Fm
You made a way for us
                                                             Our hearts are open
(refrão 1)
                                                             Our lives are Yours forever
So when the world fails
We'll be standing on
                                                             So when the world fails
The one Name that's never failing
                                                             We'll be standing on
     Fm
                                                             Bbm
We receive Your light
                                                             The one Name that's never failing
As we surrender
                                     Db
                                                             We receive Your light
                                                                  Ab
In You we know we found the answer
                                                             As we surrender
                                                                Bhm
(verso 2)
                                                             In You we know we found the answer
In You we find our place
                                                              (final) Ab Fm Db Fm Ab
