Tom: **Bb**

(intro 2x) **Gm Eb Cm**

(verso 1)

**Gm**  
 Author of the world  
**Gm**  
 You wrote Yourself in  
**Eb**  
 Tearing sin apart  
**Eb**  
 At the very seams  
**Gm**  
 Beating in our hearts is eternity  
**Eb**  
 Your love is all we seek

(pré-refraõ)

**F**  
 We owe this life  
**Gm**  
 To the love of Christ  
**Eb**  
 Saviour of the worlds  
 And our hearts desire  
**F**  
 The fate of man help  
**Gm**  
 Within Your hands  
**Eb**  
 You gave Your life

**Gm**  
 So we're Yours alone  
 We're undivided  
**Eb Cm**  
 We're Yours alone  
**Cm**

With nothing more to give  
**Gm**  
 We're Yours alone  
 We're undivided  
**Eb Cm**  
 Surely as the light of day  
**Gm Eb Cm**  
 Your love will guide us home

(verso 2)

**Gm**  
 Author of the world  
**Gm**  
 You wrote Yourself in  
**Eb**  
 Tearing sin apart  
**Eb**  
 At the very seams  
**Gm**  
 Beating in our hearts is eternity  
**Eb**  
 Your love is all we seek

(ponte)

**Gm Bb**  
 This is change, new resolve  
**F**  
 We seek more than  
**Cm**  
 Just to please ourselves  
**Gm**  
 Now we see  
**Bb**  
 Through Your eyes  
**F**  
 As Your purpose  
**Cm**  
 And our hearts collide
