

Hillsong United - Whole Heart (Hold Me Now)

Tom: **A**

(forma dos acordes no tom de **G**)
Capostrate na 2ª casa

Hold me now **C**
In the hands that created the heavens **D**
Find me now **C**
Where the grace runs as deep as your **D**
Scars **G**

You pulled me from the clay **C**
Set me on a rock **D**
Called me by your name **C**
And made my heart whole again **D**

Lifted up **C**
And my knees know it's all for your glory **D**
That i might stand **C**
With more reasons to sing than to fear **G**

You pulled me from the clay **C**
Set me on a rock **D**
Called me by your name **C**
And made my heart whole again **D**

Em
So here i stand **D**
High in surrender **G** **C**
I need you now

Em
Hold my heart **D**
Now and forever **G** **C**
My soul cries out

Em
Once i was broken **G** **C**
But you loved my whole heart through **Em** **D**
Sin has no hold on me **G**
?cause your grace holds me now

And that grace **C**
Owns the ground where the grave did **D**
Where all my shame remains **C** **G**
Left for dead in your wake **D**

You crashed those age-old gates **C**
You left no stone unturned **D**
You stepped out of that grave **C**
And shouldered me all the way **D**

Em
So here i stand **D**
High in surrender **G** **C**
I need you now

Em
Hold my heart **D**
Now and forever **G** **C**
My soul cries out

Em
Once i was broken **G** **C**
But you loved my whole heart through **Em** **D**
Sin has no hold on me **G**
?cause your grace holds me now

Healed and forgiven **Em**
Look where my chains are now **G** **C**
Death has no hold on me **Em** **D**
?cause your grace holds that ground **G**
And your grace holds me now **C**

Em
So here i stand **D**
High in surrender **G** **C**
I need you now

Em
Hold my heart **D**
Now and forever **G** **C**
My soul cries out

Em
Once i was broken **G** **C**
But you loved my whole heart through **Em** **D**
Sin has no hold on me **C**
?cause your grace holds me now

Healed and forgiven **Em**
Look where my chains are now **G** **C**
Death has no hold on me **Em** **D**
?cause your grace holds that ground **G**
And your grace holds me now **C**
