Hillsong Worship - As It is (In Heaven)

```
Tom: E
                                                                I will sing like a man
                                                                                 C
                                                               With no sickness in my body
 (com acordes na forma de C )
Capostraste na 4ª casa
                                                                               Am
                                                               Like no prison walls can hold me
Intro: C C C
               C
                                                                     C
                                                                I will sing like I am free cause
Whether now or then
                                                                       F
                                                               Am
                                                               I know You love me
Death is not my end
I know heaven waits for me
                                                                I know You found me
                                                                                 Am
                                                                I know You saved me
Though the road seems long
I'll never walk alone
                                                               And Your grace will never fail me
                             Am
I've got all I need to sing
                                                               And while I'm waiting
Am F
                                                               I'm not waiting
I know You love me
                                                               I know heaven lives in me
I know You found me
                                                               So I will sing like I will there
I know You saved me
                                           C
And Your grace will never fail me
                                                               In the fearless light of glory
                                                                                    Am
                                                               Where the darkness cannot find me
And while I'm waiting
           G
                                                                              С
                                                               And Your face is all I see
I'm not waiting
                       C C
                                                                       F
I know heaven lives in me
                                                                I will sing like a man
                                                               With no sickness in my body
Should I suffer long
                                                                            Am
                                                                Like no prison walls can hold me
This is not my home
                                                                I will sing like I am free cause
                          Am
I know heaven waits for me
                                                               I know You love me
Though the night is dark
                                                                                 Dm
Heaven owns my heart
                                                                I know You found me
                             Am
I've got all I need to sing
                                                                I know You saved me
                                                               and Your grace will never fail me
       F
Am
I know You love me
                                                               And while I'm waiting
I know You found me
                                                                              G
                                                               I'm not waiting
                  Am
I know You saved me
                                                                I know heaven lives in me
And Your grace will never fail me
                                                                          F
                                                                                        Dm
And while I'm waiting
                                                               I'll sing holy, holy
                                                                                         Am
I'm not waiting
                                                               My heart cries holy
                                                                      F
                         C
                                                               As it is in heaven
I know Heaven lives in me
                                                                              С
                                                               It is in me
So I will sing like I will there
                                                                             F
              C
                                                                C
                                                               We'll sing holy holy
In the fearless light of glory
                                                                    С
                                                                                         Am
                     Am
Where the darkness cannot find me
                                                               The earth cries holy
              С
                                                                       F
And Your face is all I see
                                                               As it is in heaven
                                                               So let it be
