

# Hillsong Worship - That's The Power

tom:  
Gm (forma dos acordes no tom de Em )  
Capostrate na 3ª casa

There's a name that levels mountains  
Carves out highways through the sea  
And I've seen its power unravel battles  
Right in front of me

There's a faith that stands defiant  
It sends Goliath to his knees  
I've seen as praise unravelled shackles  
Right off my feet

That's the power of Your name  
Just a mention makes a way  
Giants fall, and strongholds break  
And there is healing

And  
That's the power that I claim  
It's the same that rolled the grave  
There's no power like the mighty name of Jesus

There's a hope that calls out courage  
And in the furnace unafraid  
The kind of daring expectation  
That every prayer I make  
Is on an empty grave

That's the power of Your name  
Just a mention makes a way  
Giants fall, and strongholds break  
And there is healing

That's the power that I claim  
It's the same that rolled the grave  
There's no power like the mighty name of Jesus

There's no power like the mighty name of Jesus

I see you taking ground  
I see you press ahead

Your power is dangerous to the enemy's camp

You still do miracles

And You will do what you said

For You're the same God now as  
You've always been

I see you taking ground

I see you press ahead

Your power is dangerous to the enemy's camp

You still do miracles

You will do what you said

For You're the same God now as

You've always been

Your spirit breaking out  
Your kingdom moving in

Your victory claims the ground that  
The enemy had

The enemy had

You still do miracles  
You will do what you said

You will do what you said

For you're the same God now as

You've always been

And that's the power of Your name  
Just a mention makes a way

Giants fall, and strongholds break and there is healing

That's the power that I claim

It's the same that rolled the grave

There's no power like the mighty name of Jesus

There's no power like the mighty name of Jesus

There's no power like the mighty name of Jesus

There's no power like the mighty name of Jesus
