

# Hillsong Young & Free - Indescribable

tom:

Intro: Dm Bb C F Am

You're indescribable in every way

You searched me out and now I'm caught up

In Your grace

I heard my name

Across the ocean

You pulled me closer

The current changed

You showed me life

A new horizon

A silver lining

A brand new day

And I'm like oh I can't find the words to say

And oh You're higher than all my ways

And Lord it's You who opened my eyes to see

And poured out Your heart for me

My God

My God

You're indescribable in every way

You searched me out and now I'm caught up

In Your grace

I just can't fathom it

I can't make sense

Of how Your love so undeserving never ends

You give me freedom

That leaves me breathless

My glimpse of heaven

Is life with You

Now there's no fighting

This gracious rhythm

I lift my hands high

In praise to You

And I'm like oh I can't find the words to say

And oh You're higher than all my ways

And Lord it's You who opened my eyes to see

And poured out Your heart for me

My God

You're indescribable in every way

You searched me out and now I'm caught up

In Your grace

I just can't fathom it

I can't make sense

Of how Your love so undeserving never ends

You're indescribable

Ooh ooh ooh

So indescribable

Ooh ooh ooh

You're indescribable

Ooh ooh ooh

So indescribable

Ooh ooh ooh

Perfect love

Took my place

Only Jesus

Only grace

What compares

What comes close

Where You call me

I will go

You're indescribable in every way

You searched me out and now I'm caught up

In Your grace

I just can't fathom it

I can't make sense

Of how Your love so undeserving never ends

You're indescribable

Ooh ooh ooh

So indescribable

Ooh ooh ooh

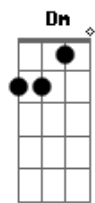

You're indescribable

Ooh ooh ooh

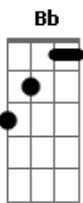

So indescribable

Ooh ooh ooh
