^{Em}
This is a song for the valleys

For the harder days

Something to remind me

When I've lost my way

And even though it's dark right now

I know morning comes
^{Em}
?Cause You're the God of the promise
^C ^G
And what You say is done

^{Em}
And in the battle
^G
When I'm surrounded
^{Am}
Still my soul will hold
^G ^D
To all You've said

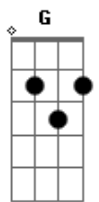

^{Em}
You're my refuge and strength
^C
My yes and amen
^G ^{Em}
Put my trust in Your Name
^C ^G
?Cause You have never failed me yet

^{Em}
You're the breaker of chains
