

Hinário Adventista - 493 ? Minha Mão Em Tua Mão

Tom: A

1. Uma vez pela noite mui triste me achava,
 Num intenso e terrível negror,
 E ao sentir-me tão só eu clamei: ó Pai,
 Não escondas Teu rosto de amor.

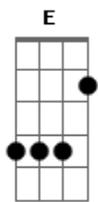

Coro:

Minha mão em Tua mão
 Quero ter ao seguir

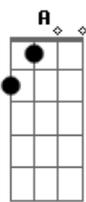

Daqui ao distante lar.
 Vem-me guiar com Teu amor,
 Sempre junto de Ti, Senhor.

2. Poderei, qual um rei, habitar um palácio,
 Ter poder e riquezas na mão,
 Mas mui triste serei se estiver a sós,
 Em angústia e cruel solidão.
