1.
 Meu refúgio está no monte,
 Onde posso descansar
 E beber da limpa fon-----te
 De água pura e sa--lu-tar.

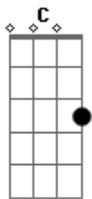

Coro:
 Bem cedinho e de tarde
 Sempre vou me refugiar;
 Vou subindo para o monte

A beber da limpa fonte,
 Bem cedinho e de tarde
 Vou com Cristo me encontrar.

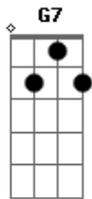

2.
 Minha força está no monte,
 Onde fico a meditar;
 Meu poder provém da fon-----te,
 Quando estou humilde a orar.

3.
 Minha glória está no monte
 Em que Cristo padeceu,
 Onde vejo a rubra fon-----te
 De Seu sangue que verteu.
