

Hinder - The Best is Yet to Come

tom:

E

My first make-out session

I learned my first lesson

While trying to get to the next base

When I slipped passed her waist

She smacked my hand away

Then I got a slap in the face

If I could go back in time

Wouldn't change a damn thing in my life

Love the dumb things we do when we're young

But the best is yet to come

My first drinking lesson

I followed all my friends

Stole liquor went down to the lake

Weed mixed with whiskey

Hell I got so dizzy was more than my stomach could take

Refrão:

Go for it

Run toward it

Dive in head first

Live life with no regret

Put your heart out there

Don't be scared

You might get hurt

But it's all worthy in end

Cause the best is yet to come

My last high school lesson

Scared of graduation

Tipped a few back and showed up too late

Well my mom got mad hell

My dad he just laughed

And said, son I have done the same thing
